Dear Head Teacher and Parents

16/5/24

I just wanted to say what a delight it has been hosting your group of students in Trowbridge and a big thank you to the teachers who accompanied them and did such a good job!

All my families have very much appreciated the students' efforts to communicate with them in English and their interest in English family life.

The students are a credit to their parents, teachers and school and we thank you for making this week so enjoyable.

Yours sincerely
